JOSEPH GOOLIC

FULLSTACK WEB DEVELOPER

Targeting an Internship or Entry-Level Opportunity

ABOUT ME

Fullstack Developer with robust problem-solving skills and experience in creating and designing software in a test-driven environment.

I thoroughly enjoy many different fields of technology. Coding daily is my passion, and I continuously refine my skills by working on custom programs for everyday problems or Intranet websites for personal and professional purposes.

As a passionate developer, I am excited about my next position as a Fullstack Web Developer.
